

# A programme to reduce sickle cell inequality

Carl Reynolds  
01/02/2022

# Why have a programme to reduce sickle cell inequality?

**Avoidable harm**

**Lack of investment**

**Structural racism**

A programme to reduce sickle cell inequality

**Digital**

**Comparative research**

**Sickle cell pathways**

Sickle cell digital discovery

**Invitation to tender 23/5/22**

**Interviews, mapping, review, prioritisation**

**Report**

# Sickle cell comparative research to inform policy

**Invitation to tender 6/6/22**

**Comparative research by condition and geographic health unit**

**Academic paper(s) and report**

Sickle cell bundle cluster randomised trial

**Invitation to tender 6/6/22**

**Identify components of bundle to be tested and trial design to test them**

**Trial protocol**

Future work

**Support workstreams**

**Policy engagement and advocacy**

**Collaborations / questions / feedback**
