

**NATIONAL INSTITUTE FOR HEALTH AND CARE EXCELLENCE**

**Technology Appraisal Committee Meeting**

**Exagamglogene autotemcel for treating transfusion-dependent beta-thalassaemia [ID4015]**

Dear stakeholders,

I am writing to inform you that the registration facility for the committee meeting for exagamglogene autotemcel for treating transfusion-dependent beta-thalassaemia, to be held on Thursday 14 December 2023, is now open on the NICE website. The meeting will be held virtually, using Zoom, a secure web conferencing tool.

You can [find the links to register directly on Zoom on this page](#).

Please note that invited experts, company representatives from Vertex, and External Assessment Group (EAG) attendees will be contacted separately regarding registration.

**Please read the ‘Important information on how to register’ carefully.**

**As you will be able to register directly on Zoom for the meeting, you will automatically be granted a place, so please note the meeting date and time in your diary as you will no longer be sent a confirmation email. Your joining link and further instructions will be sent to you 1-2 days before the meeting.**

Registration will close at 4:00pm on Thursday 7 December 2023.

As a public observer, you will be able to listen to the business of the meeting, except where confidential information is being discussed, however, you will not be able to:

- participate in committee discussions
- ask questions, take part in voting or put your views to members of the committee

For further information about meetings in public please refer to the following document: [Common questions and answers about virtual committee meetings](#).

Should you have any queries regarding observing this meeting, please contact the Meetings in Public Coordinator, Rosalee Mason, [Rosalee.Mason@nice.org.uk](mailto:Rosalee.Mason@nice.org.uk).
